

Neil Jeffares, *Dictionary of pastellists before 1800*

Online edition

ACHON, d'

fl. Lille 1755

M. Scheppers, the son of a merchant in Lille (according to the *Annonces, affiches et avis divers*, 1755), had discovered "l'art de fixer le pastel et de l'emballir même au lieu de l'altérer"; this he confided to a painter in Lille, named d'Achon, of whom nothing further is known.
