

Neil Jeffares, *Dictionary of pastellists before 1800*

Online edition

AGNETTA, Miss

fl. York 1774

Apparently a crayon painter from York, known only from the submission to the Society of Artists exhibition in 1774, the name is unrecorded. It seems likely that the entry, a late addition to the catalogue, was simply a pseudonym or confusion of the name of the amateur pastellist Agneta Yorke (*q.v.*) who exhibited in the years on either side.
