**ARMANCOURT, Jean-Augustin
Massavy, marquis d'**

Paris 1735/36–p.1795

Painter, miniaturist and drawing teacher; member of the Académie de Saint-Luc in 1776. In addition to a number of miniatures, he exhibited portraits in three crayons at the Salon de Saint-Luc of 1774. The medium is reported as pastel in AKL, but this seems to be an erroneous translation.
