COLLOREDO, Gräfin

fl. Vienna 1760–68

“La comtesse de Colorado” paid an undisclosed amount for lessons with Pierre-Joseph Lion (*q.v.*) during his stay in Vienna 1760–68. She was no doubt one of the daughters of Rudolf Joseph Reichsfürst von Colloredo (1706–1788) and his wife, née Gräfin Marie Gabriele von Starhemberg (Vienna 1707–1793); she may possibly have been Marie Caroline (1752–1832) who married, in 1772, Fürst Franz Ferdinand von Trauttmansdorff, possibly another Lion pupil.
