## **CARAIL, Gabriella Maria Ignazia Asinari dei Marchesi di San Marzano di Caraglio, dite marquise de**

Turin 31.VII.1770 – Rio de Janeiro 24.I.1821

The signatory can only be the “citoyenne Gabrielle Asinari, ex marquise de Carail” who was given a pardon in Turin on 29 nivôse an VII (18.I.1799) reported in *L'Ami des lois*, 8.II.1799, p. 3. She was evidently a member of the same family as the sitter in the only known pastel, and is almost certainly to be identified as his daughter Gabriella Maria Ignazia Asinari dei Marchesi di San Marzano. She married Rodrigo Domingos de Sousa Coutinho Teixeira, 1° conte de Linhares (1745–1812).
