

# Neil Jeffares, *Dictionary of pastellists before 1800*

Online edition

## **CHASE, G.**

*fl.* London 1797–1811

The pastellist is presumably the miniaturist from London who exhibited at the Royal Academy between 1797 and 1811 from 391 Strand. His submission in 1797 included “an officer”, medium unspecified. In 1804 a portrait of “Mrs Chace” suggests a variant spelling of the artist’s name.
