Online edition

COCLERS, Marie-Lambertine

Liège 5.v.1761 – p.1815

Pastellist and engraver; member of the extended family of Flemish artists of this name. Her father Jean-Baptiste-Pierre Coclers (1696–1772) died when she was still a child, and she was taught by her elder brother, the engraver Louis-Bernard Coclers (1741–1817), who left a painting of a young artist which may be of her.
