Online edition

## **DIETRICH, Christian Wilhelm Ernst**

Weimar 1712 – Dresden 1774

The prolific artist Dietrich, or Dietricy, worked in a number of genres in Weimar, Dresden, St Petersburg, Vienna etc. Brieger reproduces a couple of chalk drawings which are not conventional pastels. The attribution of the pastel sold in 2005 does not seem secure, and there is no other evidence that he worked in the medium.
