DUMONTIER

fl. France 1781

Unrecorded, unless the Sr Dumortier or Dumontier recorded at the Lille academy at the same time. The signature is not easily legible, and has been repeated by a later owner. He might be the “M. Dumoutier, de Paris, domicilié à Bordeaux, dans la maison de M. Gibert, rue des Carmélites, n° 7”, who painted portraits in miniature and, for 8 livres each, pastel in just two séances. (*Journal patriotique et de commerce*, 7.VII.1791).
