FLEURI le jeune

fl. Toulouse 1781–83

He taught his sister, Mlle Fleuri cadette, who exhibited a drawing in 1782 aged 10. The toulousain Pujos exhibited a portrait of a M. Fleury at the Académie de Saint-Luc 1774, no. 115. Perhaps they were related to the Paule-François-Vincent, marquis de Fleury (1735–1794) who had several children born in Toulouse after his marriage before 1768.
