## **FRANKE, Johann Heinrich Christian**

Havelberg 1738 – Berlin 1792

Pupil of Anna Rosina Lisiewska (*q.v.*) in Berlin, responsible for an oil portrait of Friedrich der Große of which a number of copies are known. He is credited in an old inventory with two pastels among a group of six portraits of the Austrian imperial family at Slavkov. The other is after Nattier (*q.v.*) while the rest of the group are under Liotard.
