GROS, Jean-Antoine

Toulouse 1740–1786

Miniaturist; father of baron Gros (*q.v.*). In 1764 he married Félicité Labille, Mme Labille-Guiard's elder sister; she died four years later. In 1770 he remarried; his second wife, Pierrette-Madeleine-Cécile Durand (*q.v.*), was also a pastellist. His birth is given variously as 1725, while a death in 1793 is contradicted by an announcement in the *Journal de Guienne* in 1786.
