Online edition

GROS, Mme Jean-Antoine, née Pierrette-Madeleine-Cécile Durand

c.1750 – Paris 1831

Pastellist and miniaturist; daughter of a marchand orfèvre, Antoine-Sébastien Durand or Durant (1712–1787), she married Jean-Antoine Gros (*q.v.*) in 1770. Several pastels by a Mlle Durand (*q.v.*) appeared between 1763 and 1777, when Mme Gros would presumably have signed differently. No other work has survived.
