**MONTAGU, marquise de, née
Anne-Paule-Dominique de
Noailles, Mlle de Maintenon**

Paris 1766–1839

Pauline de Noailles, known as Mlle de Maintenon until her marriage in 1783 to Joachim, marquis de Montagu (1764–1834), is said, according to her cousin, to have had “quelque talent pour le pastel”, which she used obsessively to make drawings of her dead daughter.
