OETS, Pieter

Amsterdam bpt 8.v.1720–brd 20.iii.1790

Pieter Oets, or Outs, was a painter, engraver and draughtsman of portraits and still lifes; he worked in Zeeland, Rotterdam and Amsterdam from 1766 on; and perhaps in England. He was also active as a collector or dealer, as his name (misread as “Octs”) appears as a purchaser of pastels by Boucher and others at several London sales in 1758. His own posthumous sale took place in Amsterdam, 31.i.1791. His works have a distinctive directness and immediacy which overcome limitations in his draughtsmanship.
