

Neil Jeffares, *Dictionary of pastellists before 1800*

Online edition

**PADOVANINO, Alessandro**

**Varotari**

Padua 1588 – Venice 1649

Follower of Titian, active in Rome and Venice.  
There is no evidence that he worked in pastel,  
but he is easily confused with Ottavio Leoni, “il  
Padovano” (*q.v.*).
