

Neil Jeffares, *Dictionary of pastellists before 1800*

Online edition

PASCH, Ulrika Fredrica

Stockholm 10.VII.1735–2.IV.1796

The sister of Lorens Pasch d. y. (*q.v.*); she became Kungl. Hofmålarinna. The only pastel given to her must be very early, but the respective ages of sitter and artist make the attribution unconvincing.
