## **PRESTEL, Johann Gottlieb**

Grönenbach 1739 – Frankfurt am Main 1808  
Painter and engraver. At first a carpenter, he received his training in art from Zeiller; from Nogari, in Venice; and from Joseph Wagner. After a trip to Rome in 1767, he returned to Nürnberg and married Katharina Höll (*q.v.*). A pastel of her is thought to be by him or possibly by the sculptor Johann Georg Prestel.
