**RAIGECOURT, marquise de, née
Louise-Marie de Vincens de
Causans**

Paris 17.VIII.1758 – Draveil 3.III.1832

Dame pour accompagner Madame Élisabeth de France 1784–89. In 1784 she married Antoine, marquis de Raigecourt-Gournay, from Lorraine. She is mentioned throughout the *Correspondance de Madame Élisabeth...*, 1868; in a letter of 24.I.1791 the king's sister acknowledges her friend's request for "crayons", probably pastels, which she despatched on 5.II.1791; they had apparently not yet arrived by the time of her letter of 11.III.1791.
