Online edition

**RUTSON, Mrs William Calton,
née Fanny Wrather**

Liverpool 1766–1830

Fanny Wrather, the only child of Simon Wrather and Margaret Beckwith, married William Calton Rustson (1755–1817), a merchant in Liverpool, at St Anne Richmond, Liverpool, on 16.XII.1790. Examples of her needlework also survive at the family home of Nunnington Hall, but it seems unlikely that she can be the author of the pastel described as her self-portrait, here reattributed to Sharples (*q.v.*).
