SCHÖNBRUNN pastellist

fl. Vienna 1750–75

Grouped here are a number of genre pictures in pastel which come from the Habsburg collections in Vienna. They were with Erzherzog Maximilian in the Castello di Miramare between 1860 and 1919 (as by Liotard), and are now in the Schönbrunn. R&L assign them to a single hand, although the single figure works are less distinctive than the three group pastels. The artist, presumably Austrian, shows the influence of Boucher in one of the works.
