STEELE, John

Allonby, Cumberland c.1770 – Baltimore 1806
English artist who settled in America. There appear to be confusions surrounding the pendants of “Frances Allonby of Baltimore” and her son. John Steele’s daughter Frances Allonby Steele (1800–) married Henry Payson (1787–) in 1818, but she and her son cannot be the much older sitter depicted in these eighteenth century pastels.
