### VERDIER, François

Paris 1651–1730

Pupil and assistant of Charles Le Brun; *reçu* 1678. He married Antoinette Butay, presumably a sister of Suzanne Butay, Le Brun's wife; complex legal proceedings concerned the administration of his estate. The three studies for or after Le Brun's *Triomphe d'Alexandre* in the Louvre may be by Verdier on the basis of the posthumous inventory of the sculptor François-Benoist Masson (1669–1728). They are strongly coloured and vigorously drawn.
