WINKELMANN, Maria, Frau

Germany c.1730–p.1771

The daughter of a court painter in Bayreuth, she married Michael Christoph Emanuel Hagelgans (*q.v.*) probably around 1761. After his death in 1766, she married Kriegsrat Winkelmann but was divorced in 1771. She was in Berlin in 1770/71 where she was active as a portraitist. She may well be represented among the numerous anonymous pastels in Bayreuth.
