COINON, Jacques-François

Paris 21.III.1754 – Versailles 16.XI.1824

The artist who signed an 1802 pastel (in a quite different style to an unsigned pastel offered, inexplicably, as in the “genre de Coinon”) is no doubt the miniaturist of this name. He was married twice: to Marie-Louise Jouvenet and, in 1813, to Marie-Françoise Mauzaize (1771–1855).
